Dear Mr. Bruggink:

The Western Chapter of the Michigan Society of Professional Engineers would like to thank you for sponsoring a hole at our second annual golf outing. Thanks to your support and that of other hole sponsors, the event raised approximately \$4,000 which will be used to fund our annual MATHCOUNTS program and annual MSPE Scholarship.

The Western Chapter of MSPE is part of a statewide non-profit society. As such, your \$250 hole sponsorship donation qualifies as a tax-deductible contribution. Once again, we thank you for your support of the MATHCOUNTS program and MSPE Scholarship fund.
